Discussion Points- The following points were discussed and agreed to by all members.

(George Safin discussed these points with Allison Willis via telephone, and she agreed with these recommendations).

Recommend all seven interested persons to the TCC at the April meeting.

Once they are appointed, get the whole group together for a meeting to allow them to organize, and designate officers and regulars/alternates.

Invite the solicitor to attend this first meeting of the group to explain how they are to function in the initial stages.

The next meeting of this committee would be to convene and organize the actual tax appeals board, once we had the full TCC's authorization to do so.

Meeting was adjourned at 5:22 pm. No further meetings were scheduled at this time.
